

February 26, 1979

LB 53, 67, 215

the emergency clause. Before we start with LB 53, underneath the South balcony, I would like to have you recognize Mr. Dick Fellman from Omaha, former legislator and also member of the Douglas County Board. We are glad to have you with us. The Clerk will now read LB 53. Excuse me, Senator Lamb.

SENATOR LAMB: Mr. Chairman, on the agenda on LB 53, it says permit school districts to make deductions but in the bill it mandates, it says "shall" and I wonder if that is a valid point.

SPEAKER MARVEL: I think the language was taken from the original title of the bill. I think you would find it in your black book. We will consult here for a moment, Senator Lamb. Senator Lamb, if you are raising a point of order, it is the conclusion of the Chair that this is the original language. The bill that will be read will be read with the proper language and I don't think there is any conflict. The Clerk will read LB 53.

ASSISTANT CLERK: Read LB 53 on Final Reading.

SPEAKER MARVEL: All provisions of the law having been complied with, the question is, shall the bill pass? All those in favor vote aye, opposed vote no. Have you all voted? Have you all voted? The Clerk will record.

ASSISTANT CLERK: Record vote read. (See page 649, Legislative Journal.) The vote is 25 ayes, 15 nays, 6 excused and not voting, 3 present and not voting, Mr. President.

SPEAKER MARVEL: Motion carries and the bill is declared passed. The next item on Final Reading is LB 67. The Clerk will read.

ASSISTANT CLERK: Read LB 67 on Final Reading.

SPEAKER MARVEL: All provisions of the law having been complied with, the question is, shall the bill pass? All those in favor vote aye, opposed vote no. Shall the bill pass with the emergency clause attached? Have you all voted? The Clerk will record the vote.

ASSISTANT CLERK: Record vote read. (See pages 649 and 650, Legislative Journal.) The vote is 36 ayes, 4 nays, 6 excused and not voting, 3 present and not voting, Mr. President.

SPEAKER MARVEL: The bill is declared passed with the emergency clause attached. Senator Johnson, do you want LB 215 held? If you do, you need to ask permission of the Legislature. Do you want to ask unanimous consent that we....?
